Dear

In July 2010, the Dodd-Frank Wall Street Reform and Consumer Protection Act went into effect. Section 1502 of the Act requires all U.S. companies to report to the U.S. Securities and Exchange Commission on their use of “conflict minerals”.

This letter is to inform you that as a responsible manufacturer of custom stampings, Harvey Vogel Manufacturing does not use any conflict minerals identified in the Dodd-Frank Act, Columbite-tantalite, Cassiterite, Wolframite or Gold from the Eastern provinces of the Democratic Republic of the Congo in the manufacturing of your products.

Sincerely yours
