

HARVEY VOGEL MANUFACTURING CO.

Custom Metal Stampings and Assemblies

Computers & Electronics

Energize your products with our precision metal assemblies

Computer and electronic products require a mix of precision and appearance requirements that make them some of the most challenging projects. The combination of fit and finish lead to process steps that keep the end results a priority. Harvey Vogel offers you comprehensive experience and capabilities to meet your challenging quality expectations, while providing on-time delivery.

Prototype to Production

From revolutionary products to improving your supply chain for high-quality stampings, Harvey Vogel meets your needs. Our experience covers all phases of manufacturing, from product development through production.

Our Computer & Electronics Experience

Harvey Vogel is a leading manufacturer of stampings and assemblies for computer and electronic projects. Products that incorporate Harvey Vogel components include the latest computer and electronic technologies, including complete "box build" capabilities. Our ability to add value by providing complete components and assemblies makes Harvey Vogel your ideal choice for your computer and electronic programs.
