

Welcome to Harvey Vogel Manufacturing!

I am excited to welcome you to Harvey Vogel Manufacturing. You don't always get to see the faces behind the work, so I want to take a moment to introduce myself as your main point of contact to HV. Please contact me directly with questions about on-going projects or to get started on new projects.

We Stand Ready to Deliver

Whether your project demands a prototype, a short- to-long-run metal stamping, or a complex assembly, Harvey Vogel is the metal stamping and fabrication resource to deliver high-quality parts on time.

Experience Leads to Excellence

Harvey Vogel Manufacturing prides itself in hiring the very best personnel from the metal stamping and fabrication industries. From engineering and design experts to production management and back office support operations, our team of professionals are solution oriented and dedicated to excellent service.

Service Offerings

With over 75 years of experience in producing metal stampings, Harvey Vogel offers you the tools & know-how to make your next project successful.
