## Cheers to Harvey Vogel

Harvey Vogel's experience in the food and beverage industry includes components and assemblies used in restaurant and beverage equipment, point of sale products, cash registers and hand held devices. These product requirements include precision and appearance, while ensuring they function consistently in a variety of environments. Harvey Vogel offers you a breadth of experience and capabilities to meet these challenges, while providing exceptional quality and on-time delivery.

### Prototype to Production

From revolutionary products to improving your supply chain for high-quality stampings, Harvey Vogel meets your needs. Our experience covers all phases of manufacturing, from product development through production.

### Our Food & Beverage Experience

Harvey Vogel is a leader in the manufacturing of stampings and assemblies for the food and beverage market. Many of these parts have tight tolerances and are highly aesthetic. They also are built to meet the stringent requirements of the FDA. Our ability to add value by providing complete components and assemblies makes Harvey Vogel your ideal choice to handle your food and beverage product needs.
